

How to renew support for CodeWarrior suite licenses

Freescal TICS
February 2015

1. Click on “Sign In” in Freescale webpage

The screenshot shows the Freescale Semiconductor website in a browser window. The address bar displays "http://www.freescale.com/". The navigation menu includes "Products", "Applications", "Software & Tools", "Training & Communities", "Sample & Buy", and "About". A search bar is located in the top right corner. The "Sign In" button is circled in red. Below the navigation menu, there is a large banner for "Connecting Your Home Just Got Easier" with a "Learn More" button. Below the banner, there is a section titled "A Global Leader in Embedded Processing Solutions" with a "Learn Why" button. The page is divided into three columns: "Find Products", "Evaluate & Design", and "Access Training & Support".

Enter Email Address

Register Now

* Please use your work email address when possible to ensure priority handling and response

Why register?

Get easy access to all your embedded design needs when you register on Freescale.com:

- Download software and tools
- Order product samples
- Get technical help
- Access on-demand training and register for live courses
- Receive weekly Design News to stay up-to-date—particularly with errata and new documentation
- Track your browsing history for easy access to previously viewed items
- See your [personalized recommendations](#) to help you find what you need

Why click 'Remember me'?

Selecting 'Remember me on this computer' means that every time you visit the site, your history will be recorded regardless of whether you are logged in or not.

Trouble logging in?

If this is your first login, you will be required to review and agree to the Access Agreement before access is granted. By clicking "Register Now" you signify your ACCEPTANCE OF THE TERMS contained in the Access Agreement.

Freescale employees should log in using their core ID and oneIT password.

CodeWarrior Development Suite - Basic Edition, Annual Subscription, Node-locked License	<input type="checkbox"/> Buy Direct <input type="checkbox"/> Distributor	CWA-BASIC-NL	1 @ US\$395.00 each	<input type="checkbox"/> Basic	<input type="checkbox"/> NodeLocked	<input type="checkbox"/> Basic	<input type="checkbox"/> 1yr	<input type="checkbox"/> Annual	<input type="checkbox"/> Yes

If purchase successes, user will get a renew code.

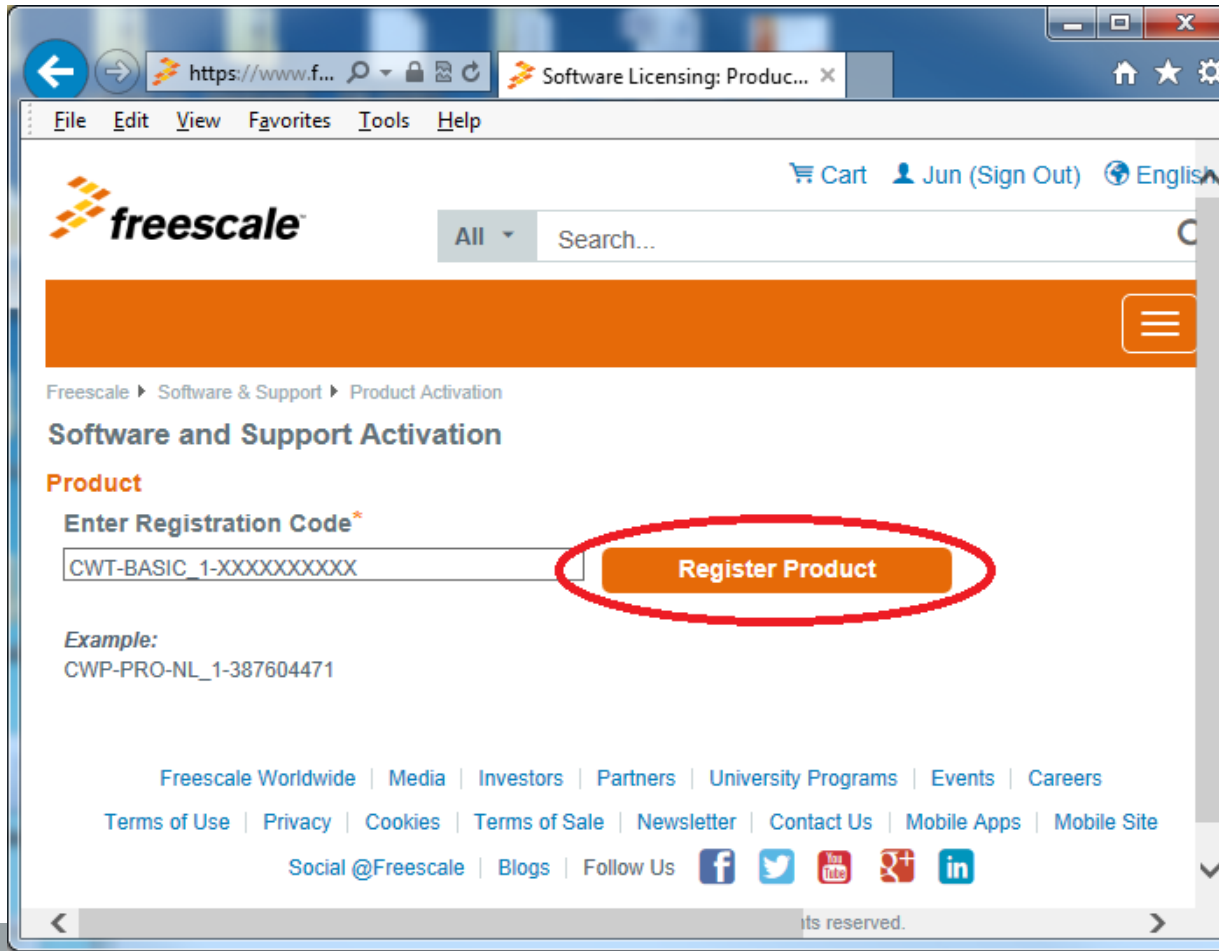

Example:
CWT-BASIC_1-XXXXXXXX

6. Enter Registration code, Click on “Register Product” button

If you already log in, you can also enter this page with this url directly:

www.freescale.com/activation

Input the renew code

7. Select the Parent Entitlement for renew

This page lists all the available CW suites for CWT-BASIC_1-1XXXXXXXXXX, select the one we need to renew, click on “select”.

The screenshot shows a web browser window displaying the Freescale website. The page is titled "Software and Support Activation" and is under the "Product Activation" section. It lists two entitlements for renewal:

- DLP-BASIC-FL_1-1-4011151**: CodeWarrior Development Suite - Basic Edition, Perpetual Model, Floating License. Account: Jun Zhang Software Account, End Date: 05/04/2015. A "Select" button is present.
- CWP-BASIC-NL_1-1-55763030**: CodeWarrior Development Suite - Basic Edition, Perpetual Model, Node-locked License. Account: Jun Zhang Software Account, End Date: 06/09/2014. A "Select" button is present and circled in red.

The page also features a navigation menu with "Products", "Applications", "Software & Tools", "Training & Communities", "Sample & Buy", and "About". A search bar and a "Cart" icon are visible in the top right. The footer contains links for "Freescale Worldwide", "Media", "Investors", "Partners", "University Programs", "Events", "Careers", "Terms of Use", "Privacy", "Cookies", "Terms of Sale", "Newsletter", "Contact Us", "Mobile Apps", and "Mobile Site".

8. Registration Confirmation page. Click on “View Products”
