

## The funny facts about video conferences

5 cartoons that poke  
fun at what happens  
on and off camera in  
video conferences.

“ There’s little success where there’s little laughter. ”

*Andrew Carnegie*

“ I don’t trust anyone who doesn’t laugh. ”

*Maya Angelou*

“ Laughter is the shortest distance between two people. ”

*Victor Borge*

Your job demands a lot of you, but everyone deserves a break. Replenish with these **five cartoons** poking fun at the hilarious stuff that happens in video meetings.

Scenario 1: Your pet's 15 minutes of fame.

# Scenario #2: Multi-tasking.

If video conferencing were a hairstyle, it'd be a mullet: business on screen, party out of frame.

### Scenario #3: The pre-meeting clean up.

## Scenario #4: Outdated fashion revealed.

# Scenario #5: Talk with your hands.

“GoToMeeting with HDFaces video conferencing eliminates a lot of the barriers that happen on impersonal conference calls. Without video, people can put each other on mute or do some other task, because nobody knows. You lose a lot of productivity. Now we know who’s paying attention. We can see what people are doing.”
